Dear Waitlist Applicant:

We are happy that you are considering the Port of Friday Harbor as a home for your vessel.

Waitlist fees are as follows and **must be enclosed** with application. The fee is pro-rated quarterly.

Jan/Feb/March -	December	\$34.00
April/May/June -	December	\$25.50
July/Aug/Sept -	December	\$17.00
Oct/Nov/December		\$ 8.50

In December, we will mail you an update on your position on the list along with a bill for the upcoming year.

Upon receiving notice of slip availability, you have twenty days to accept. You may refuse the offered slip twice and go to the bottom of the list.

All boats moored at the Port of Friday Harbor must pass the marina entry checklist. Persons who are assigned a slip after March 1 are obligated to keep the slip through year end -- otherwise, the summer sublet rate will be paid for the months of June, July and August.

Please feel free to call if you have any questions.

Sincerely,

Tami Hayes
Harbormaster/Administration
