SEAL PUPS NEED TIME ASHORE

The mother may be out feeding and won't return if people or dogs are nearby. The pup's best chance for survival is to be left alone!

FEDERAL LAW PROHIBITS TOUCHING, FEEDING, OR DISTURBING MARINE MAMMALS – STAY AT LEAST 100 YARDS AWAY (AND THIS INCLUDES YOUR DOGS, TOO!)

The San Juan County Marine Mammal Stranding Network has been notified and is monitoring this situation.

To report a marine mammal stranding (live or dead) or if you have questions, please call 1-800-562-8832.
