Port of Friday Harbor

June 2018

Pirate fest schedule!

A'hoy me hearties! Ready yer lines and furl yer sails, then tie your ships fast and don your long clothes. It's time to come a'shore for below you'll find our plan.

~ Friday June 22 ~

Festivities will begin with check-in. Be sure to pick up your treasure hunt clues and list of the weekends' activities. Decorate your ships and make sure to raise the Jolly Roger on high, then come join us in Fairweather park for Movies in the Park! Starting at 8pm we'll show a classic Popeye the Sailor short titled "Shiver me Timbers", followed by Pirates of the Caribbean, Dead Men Tell No Tales! Arrrrr!

~ Sunday June 24 ~

Move smartly and grab some grub at the pancake breakfast from 9am-11am where prizes for costumes and treasure hunt finishers will be awarded. Avast! The time has come to weigh anchor and leave port, lest you be marooned or receive a shot across the bow.

~ Saturday June 23 ~

There will be activities all day, including a treasure hunt, games for kids, face painting, knot tying, pirate music, and tours aboard beautiful wooden ships. Make sure to take heed if you hear someone yell 'fire in the hole', as there are sure to be cannon blasts a'plenty! For those who dare to break the code of conduct, we'll make them walk-the-plank to the dunk tank. Hit the target smartly and send them to Davey Jones' locker! Don't miss the chowder contest from 11:30am - 2pm and live music by The Rocktopus from 6 - 8pm

Nothing is as easy to make as a promise this winter to do something next summer; this is how commencement speakers are caught.

~ Sydney J. Harris

A lot of people ask me if I were shipwrecked, and could only have one book, what would it be? I always say 'How to Build a Boat

To reach a port we must set sail. Sail, not tie at anchor. Sail, not drift.

~ Franklin D. Roosevelt

"It amazes me that most people spend more time planning next summer's vacation than they do planning the rest of their lives."

June is Orca Awareness Month, and the non-profit organization Orca Network is participating in "Hour for the Ocean" on June 9th, which is a regional beach clean-up sponsored by the Seattle Aquarium and Puget Soundkeeper as part of World Oceans Day. They are hoping to get people out to beaches in several locations for a 2-hour clean up that day and that includes Jackson Beach. Contact them at info@orcانetwork.org for more info and feel free to join in at Jackson beach to lend a hand.

Security saves boat

Thanks to his excellent attention to detail, Port Security Staff member Randy Everitt, assisted by a live-aboard marine mechanic, saved a boat from sinking in May. Randy noticed the boat's bilge pump running at increasing intervals and called on the assistance of the mechanic to investigate and plug a leaking sea valve, preventing a near disaster as the bilge pump was no longer keeping up with the flooding. The boat was safely towed to Jenses the following morning for repairs.

Music in the park

It was a hit last year so we're going to do it again. We listened to feedback and this time around it will be Saturday afternoons so that more folks can relax and enjoy the tunes. Look for more information coming soon!

Package delivery tip

Staying at the marina and need to receive a package? Make sure to enter the delivery address as follows:

Name / slip / phone
Port of Friday Harbor
204 Front Street #889
Friday Harbor, WA 98250-7600

That #889 is key for when the vendor ships via USPS or UPS surepost as the Post Office does not deliver to the marina but will note it as destined for PO Box 889 and give our Staff notice of the package awaiting pickup. Including your name, slip number, as well as your cell phone number helps us identify and contact you so that you can receive your package promptly.
