Port Commission Meeting

Corner of Spring St and Franklin Drive

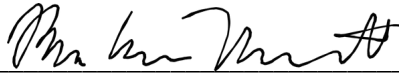

Thursday July 29 at 3:30p

Special Meeting Minutes

The commission will visit a potential building site on the corner of Spring St and Franklin Drive to view how best to position a building while maximizing the preservation of trees.

The Commission viewed the staked building site and discussed setbacks and buffer areas. The proposed building will be adjusted north some and modified to fit within the build area.

Adjourn: 4:05p
